---

ALL '72 Classmates:

Back in January I sent out an email requesting whether you were serious about attending the 2022 commencement on Wednesday May 18th and I would do my best to get permission to get us tickets as the LITC class of '72. **I've been told by the Alumni Assn and the 2022 class advisor we will be able to get those tickets. Details to come sometime in April.**

The list I have to date is below. Another, and maybe one last chance to get on the list. Let me know by this Friday 11 March.

1. Larry Brudnicki and wife Carol NH
2. Craig Coy and wife Trisha FL
3. Dave Engan VA - a maybe
4. Greg Johnson and wife Sharon PA
5. James McCarthy MA
6. Chris Oberst and wife Pam GA
7. Herb Williams RI

And then there is the duty math instructor Charlie McCarthy who is invited and will attend, seated with other faculty. Robbie gets to sit in the stands with us!!!

Always your classmate
