Subject: [72-Objee] - Reunion schedule

Greetings from the CGA this fine commencement day!

Attached is a spreadsheet which shows the class and alumni events for our upcoming 50th reunion.

- This year, reservations for all events - class and alumni sponsored - will be handled through the Alumni Association website and will open July 1st. You may either pay them with a credit card or send them a check. Please note that the charges for all these events go through the Alumni Association and NOT Tom Meisenzahl.
- Swag and reunion clothing items will be coming out shortly but will not be going through the Alumni Association mainly because their deadline for our information was May 1st and the deadline for the clothing and swag items is much later. Again, stay tuned for this information. You might want to start looking at Navy Blue blazers, though.

As an aside, while driving golf carts around the academy yesterday for awards day (the fun part of being in the auxiliary near CGA), who should jump into my cart but Chris Oberst. I want to thank him for reminding me I needed to get out this list.

Charlie
