Re: [72-Objee] - Reunion Ladies Dress Info

To Greg JOHNSON via Objee <objee@cga72.com>

72 Classmates, and lady guests:

In response to the latest committee update v5a to the Medallion Ceremony, there were questions about what to wear for ladies at the Medallion Ceremony along with the dinner events on Friday and Saturday. The following comes from the ladies on the Reunion Committee:

[For the Medallion Ceremony] Having googled to see what the etiquette gurus say would be appropriate attire when men are wearing blazers, ties and dress slacks. In general they say, women's attire would be a dress or dressy slacks/skirt and blouse. Since it will be in October, knit tops would be appropriate, as well. So, "Dressy Casual"!

As for Friday dinner after the Medallion Ceremony, many may not go back to the hotel to change so the same attire for dinner as the medallion ceremony would be a good recommendation.

Saturday night [dinner buffet] is definitely casual.
